Absolutely Suffield

Choosing a yearbook theme had been one of the most difficult struggles for the Sagitta staff. Giving 23 students the task of finding a theme that represents all of Suffield High School's 142 seniors proved extremely challenging. The Sagitta staff debated between themes for an entire semester, wondering whether to focus on the new millennium. We decided upon ABSOLUTELY SUFFIELD, a theme that illustrates our lives in a rural community. Although an inconvenience to some, life in Suffield has allowed us to form inseparable bonds with our classmates, and has given us memories that will be treasured forever. No matter where we end up in life, our foundations and roots will always be traced back to Suffield.

*too soon will end these valuable days.
too soon will we each go our separate ways.
too soon will we each be starting new lives.
too soon will our friends have husbands and
wives.
but the memories we've shared will never
end,
because there's nothing more precious than
an old best friend.
all as one we've faced the years,
sometimes with laughter and sometimes
with tears.
it's hard to break a special bond,
and absence will make our hearts grow fond.*

*don't forget me and i won't forget you
when our path together is split in two.
at reunions and weddings and funerals the
same,
even if you can't recall everyone's name,
these are the times when again we will meet,
and we'll all reminisce on our friendships so
sweet.
so whether your future is prosperous or hard,
please remember to send me a christmas
card.*

Advisor Appreciation

Mrs. Potter & Dr. Lusignan have been leading the Class of 2000 down the right path for the past four years at Suffield High School. They have seen us through joy and pain, hope and despair, courage and sorrow. They have watched us learn, have seen us prepare, and are now witnessing us grow into strong young men and women. An advisor oversees, supports, assists, encourages, and lends guidance. Mrs. Potter and Dr. Lusignan exceed at all of this. They are also knowledgeable of what is capable of being accomplished. They bring enthusiasm and motivation to the Council, and their kindness and willingness to pursue our goals have truly enabled us to succeed as a class. As the Class of 2000 prepares to move on into the new millennium and begin our lives, we remember these two important individuals, Mrs. Potter and Dr. Lusignan. When we came to Suffield High they were our Class Advisors and we were merely children, but as we depart as young adults, we now have two very special people whom we all can call our friends. Thank you Both!

Yearbook

Our Senior class is so complicated that analyzing us has been a tremendous difficulty. Our yearbook class came in ready to work hard & create the best yearbook yet at SHS. The staff pushed themselves to meet our deadlines, while Dennis & I put in long hours trying to perfect our book. Getting the staff to collaborate took a lot of effort on all of our parts. I would also like to take this time to blow kisses to Mrs. Deedy for all of her assistance and judgement. John Carrier, our Herff Jones representative has been the greatest help and has also been an inspiration for many of us. Thank you to the entire staff for all of your excellent work, as well as to Amy DeLoreto and Dave Foster (Business Managers). It is highly appreciated.

~ Brenda Storey, Co-Editor

FFA

FFA has changed a lot in the past twenty years. It has gone from cows and plows to science labs and computer labs. However, some things are the same. Some of the best leaders of the country were FFA members, including U.S. Presidents. FFA is a National Organization which promotes personal growth, career success and leadership. After winning the state championship of Parliamentary Procedure, eight students represented Connecticut at the National FFA Convention in the fall of 1999. They came home the proud possessors of silver medals. Other students participate in public speaking, floral design, dairy, Envirothon, mechanics, and food science contests. Numerous leadership workshops are held during the year, including one in Washington DC, and Made for Excellence Conferences. The Suffield FFA Chapter has an amazing group of students, who are accomplishing amazing things.

Jr./Sr. Prom

"Remember Me This Way"

The Senior Class of 1999 and the Junior Class of 2000 experienced a prom like no other. The prom was combined--yes, combined, and it was a shock for many. But after all the complaints, the Classes of 1999 and 2000 shared many memorable moments. The evening was filled with gorgeous dresses, snazzy tuxedos, extravagant hairdos, hot dates, fresh flowers, and bright smiles. Even though the prom had its stresses like any other, the night was successful and magical for all.

The Suffield High sports program has been on the rise in recent years. Our success is remarkable due to the fact that we are a small high school. Over our past four years here, we have won numerous state championships. Deserving special mention are the soccer, cross country and track teams, who have been perennial championship contenders. This success in all sports is due to the intense dedication

and focus of the athletes involved. Our display of intensity, integrity, and intelligence have shone through in our accomplishments across the board, and all Suffield High athletes can be proud of both their individual and team accomplishments. These are experiences that will stay with us for life.

The **Womens' Varsity Tennis Team** had another outstanding season. Newcomers Kate Fahrenholz, Kirby Matthes, and Freshman Jen Roccanti, made the team stronger. For the second year in a row the team was coached by father and son Lou and Carl Casinghino. With their experience combined with the girls' determination, the season was successful and memorable. Next year's season looks to have a lot of promise.

The Mens' Tennis Team showed a lot of promise. The 1999 season was a rebuilding year after having many members graduate. The team was predominantly made up of new members who grew in skill over the season. First year players Yungyu Hong and Austin Yang played well throughout the season and the NCCC tournament. Freshman Adam Chaney performed well under pressure. Co-Captains Jak Kreps, Frank Kessler, and Sean Gordon led the team and helped them improve as a whole. The team expects a rewarding season in 2000.

Making Great Strides

The Winning Difference

The Mens' Track and Field Team had an outstanding team this year. There were excellent athletes in every event. Led by captains Matt Chaney, T.J. McCabe, and Ryan Bak the team came away with only one disappointing loss. There were great improvements from the beginning of the year by every team member. We were also lucky to draft some new members onto the team who were great competitors. Over all, we were a winning team and a force to be reckoned with.

performed outstandingly this year, led by captains Tiffany Chan, Julie Tyo, and Jane Christian. We had many new additions to the team which enhanced our level of competition. Thanks to all of our hard work and dedication, we had a great season. The coaches made the season memorable as well. There were many seniors that made an impact on the team which will be missed next year. The team shall have many more successful years to come.

The Mens' Golf Team played exceptionally well this season. The team placed 2nd in the conference due to the returning varsity team members: Tim Watroba, Jon "The Rock" Lombardi, Addy Marsh, Adam Kozloski, and Ryan Wesche (who made an enormous come back after his broken collarbone). Along with these fine veteran players there were some newcomers: Michael Motolo and Dave Madison. Despite their freshman status on the team, they will be returning next year ready to win. The 2000 season will be tough without our three graduating captains, but with the help of our inspirational coaching staff: Coach Aniello and Coach Cecchini, we will overcome this obstacle and be at the top of the NCCC's where we belong.

Field of Dreams

The J.V. Softball season's first few games started out with some difficulty. Half the team consisted of veterans from the year before, the rest being new players. As the season continued, we molded together as a team. We could clearly see progress, and we were all able to work together more efficiently for the betterment of the team. We finished off our season winning the two final games. Next season looks to be a hopeful and promising one and good luck to all.

Nick Hoogewerff stole 15 bases, and Mike DiRosa worked opposing pitchers for 15 walks. Mike Siano led the pitching staff with 5 wins. League of Their Own

During the season of 1999 the **Women's Varsity Softball Team** walked away with a record of 5-11. Leading the team through the season was Marcy Lemire and Kim Moulton. Together the team worked hard and came one game away from entering into the state tournament. Through the year the girls put up a fight only losing games by one or two runs. Even though they lost some of their key players, the girls will be coming back strong for next year.

Boys of Summer

The Suffield Varsity Baseball Team came into the 1999 season losing no players. As the team set into the season, confidence was low and the team was timid. After picking up a few wins, self-esteem picked up, and for the first time, in a long time, we became a true team. Although the season was not as successful as everyone wished, we never gave up, and we were never satisfied. We rallied together in every passing game while our confidence built. Outlook for the 2000 season is good and should prove to be the first tournament berth in four years.

Women's Varsity Soccer

The Suffield Women's Varsity Soccer Team had yet another successful season, ending up with a season record of 16-2-1. After winning the NCCC Champion title for the second consecutive year, the girls worked their way to the finals of the Class M State Tournament, and found themselves as runners up. This team had a lot of heart and was always eager to make it to the top. Due to the support from each other and their coach David Sullivan, the girls proved to be a spectacular team. The team will also be strong next year with only four seniors graduating. We've all gained new friendships, memories, and respect. Remember..."Never count the Wildcats Out."

This year was a great one for the **Men's Varsity Soccer Team**. For the 4th year in a row, the team has gone to at least the Quarter Finals. This year we advanced to the Semi-finals against our rival Rocky Hill. In the cold, a close 3-1 loss ended our season. But this season was not a loss, with a record of 14-4-1 we finished second in the NCCC. For the seniors, this year marked the end for a highly successful run at Suffield High. The Girls Swim Team had an outstanding season in 1999. Tri-Captains Liz Simison, Jackie Donahue and Stef Baker put a lot of time and effort into making the season successful. Coach Walter Beck made the season memorable with his continuing support helping the girls to finish with a 6-4 record. Many members of the team also qualified for the State Open and finished near the top making us proud. Suffield also hosted the Nutmeg Championships for the first time which raised a lot of money for team funds. The amount of spirit the team showed in all the meets also contributed to the success of the season. Good luck in the year 2000!

All-Conference Honors went to the school's all-time leading & record breaking rusher/safety Lance Powell, who was one of the team's two MVPs. Lance ran for 1711 yards this season. Nose Tackle/Guard Maratea won the other MVP award for his week in and week out dominating lead blocks and ferocious sacks. The Coaches Award went to Michael Gryniewicz who scored two touchdowns from fullback while providing punishing blocks, as well as starting as linebacker for all ten games. Michael Rossi, Shannon Spears, and Scot Braun provided strength on the offensive line. Rossi and Spears added big play ability to the D-Line. Field Hockey

The Suffield Field Hockey Team played hard and worked well as a team. It was a rebuilding year but they came out strong and gave a lot of teams a run for their money. The coaches from last year returned yet again, giving us a lot of valuable knowledge and keeping us in shape. The team got together often and accomplished quite a bit while having fun. Men's Varsity Basketball

The seniors on the **Men's Varsity Basketball Team** survived a freshman year record of 2-18. By senior year the team achieved an impressive record of 24-3, led by senior captains, Jim Connelly, Greg Viggiano, and Mike Cotrone. The team completed a great season by winning the NCCC title as well as the State title. In front of packed gyms throughout the entire season, the team had great fan support to go along with one of the greatest seasons in Suffield basketball history.

Women's Varsity Basketball

The Women's Varsity Basketball Team had a season full of transition. They received first year Varsity coach Bob Berriman and lost two of the three senior tri-captains due to knee injuries. The girls worked very hard and played well as a team for the entire season. Unfortunately, their efforts did not get them into the league or state tournaments. As for the seniors leaving, they will be missed and not soon forgotten. The Lady Cats would also like to thank all the parents and students who supported them this year.

Varsity Cheerleading

The **Varsity Cheerleaders** came into the season thinking they would not have a coach. Fortunately, Danielle Bucar, the new permanent substitute, volunteered to be the coach. The squad was composed of nine seniors, two juniors, and three sophomores. "It was a very intense season for us, as the boys varsity basketball team was conference and state champions. We had a lot of struggles through the season, preparing for games while practicing numerous hours for competition." recalled Ashley McKay. The graduating seniors would like to wish the best of luck to the remaining cheerleaders and thanks for everything Sparky!

Hockey

After four years the seniors on the **Suffield Hockey Team** have achieved the ultimate goal: The State Championship! The team did not just win the championship though, they did it with style, by dominating opponents and going undefeated against division II opponents. The co-op team with skaters from both Windsor Locks and Suffield, was big, strong, and fast, making the team virtually unstoppable. The senior leadership, combined with the team's hard skating, and willingness to knock people on the ice, made this the most memorable hockey team in Suffield hockey history.

The **Indoor Track** teams had a record breaking season including personal bests, school records, and NCCC records. The teams were lead by captains Jane Christian, Hiliary Evans, Brian Gauthier, and Steve Moriarty. The girls were NCCC champions for a second year in a row, and Class S State Champions. The boys came in a very close third in the NCCC league. Next year, and for many after that, you should continue to expect great achievements from this awesome group of talented athletes.
